Daily report on Public Health measures taken for

COVID-19 Infection prevention and control

WHO has declared the recent COVID-19 epidemic affecting 110 countries as Public Health Emergency of International Concern (PHEIC). In this context, Government of Tamil Nadu has strengthened the surveillance and control measures against the disease, as per the national guidelines.

All the passengers from all the international flights are screened universally through thermal screening. All over India the screening is carried out in 30 airports. In Tamil Nadu, till date 146704 passengers are screened at the Airports of Chennai, Trichy, Madurai, and Coimbatore. 1265 passengers are under home quarantine for 28 days and 9 are under hospital quarantine.

Till now 75 samples have been taken from the passengers and sent for testing at King Institute of Preventive Medicine, Guindy Chennai and National Institute of Virology, Pune, Theni VRDL. The samples of 74 passengers are processed and 73 samples are negative, 1 sample are under process and 1 sample positive for COVID-19 infection.

The health status of the passengers under observation in home and hospital are stable. The male passenger with travel history to Oman who tested positive for COVID-19 is also stable and under hospital observation. He will be discharged after two consecutive samples tested negative.

In the background of the present COVID-19 epidemic, the general public are advised to adhere to health advisories issued by the state Government. Public should follow the cough etiquette by covering the face using handkerchief / towel while sneezing / coughing. Do frequent hand-washing with soap and water.

People are advised to refrain from travelling to China, Hong Kong, Republic of Korea, Japan, Italy, Thailand, Singapore, Iran, Malaysia, France, Spain & Germany and advised to avoid non-essential travel to other COVID-19 affected countries. All people coming from China, Hong Kong, Republic of Korea, Japan, Italy, Thailand, Singapore, Iran, Malaysia, France, Spain & Germany or having such travel history should remain under strict home quarantine or hospital isolation for 28 days from the date of arrival in India.
