Ref.No.2745/SCS II(1)/22-7

**SELECTION COMMITTEE
DIRECTORATE OF MEDICAL EDUCATION,
KILPAUK, CHENNAI – 10.
DATED : 15.09.2022**

PG DEGREE/DIPLOMA COURSES 2022-2023 SESSION

The Candidates who have applied as in service for admission to Post Graduate Degree/Diploma Courses 2022-2023 session for Government Medical Colleges and Government Quota seats in Self Financing Medical Colleges are instructed to verify their service incentive percentage (given below) and if there is any discrepancy, please send your corrected Service Proforma obtained from the head of the Institution mentioning your application number to the following mail id on or before 16-09-2022 @ 05.30 pm.

Mail id : ddpgselcom@gmail.com

The following guidelines are practiced for awarding incentive marks to Service PG candidates for this academic year 2022-2023 and 50% reservation of PG seats as per the Hon'ble Supreme Court Judgment in W.P.No.196/2018 TNMOA Vs. UOI.

- Incentive Marks will be awarded for completed years as on 31.03.2022.
- Incentive Marks will be awarded for every completed years. In completed years, fractionalization of marks based on the number of months worked in particular stations [i.e., Difficult Hill (10%)/Difficult Plain(9%)/ Remote(8%)/ Rural(5%)].
- Incentive Marks will not be awarded for fractioned service month periods.
- Maximum of 30% of Incentive marks will be awarded as per MCI Regulations – 2000 amended till May 2018 and added to eligible PG NEET 2022 Score (Kindly note eligibility is determined prior to adding incentive marks)

Illustration - I:

- When a Medical Officer has worked in 2 years 8 months 23 days in Difficult Hill area, Incentive Marks will be awarded for 2 years.

Illustration- II:

- If a medical officer works in different areas for different periods (Incentive marks allotted areas) with completed year and fractionalized months, the following methodology is applied for calculating incentive marks:

“X” works in difficult hill area for 5 months, 20 days, in his next postings he works in difficult plain for a period of 1 year, 5months, 5 days and in another postings he works for 7 months, 3 days respectively as on 31.03.2022.

	YEAR	MONTH	DAYS	CALCULATION	MARKS AWARDED (%)
Difficult Hill (10%)		5	20	$= (5/12 \times 10)$	4.167%
Difficult Plain (9%)	1	5	5	$= 1 \times 9 + (5/12 \times 9)$	12.75%
Rural (5%)		7	3	$= (2/12 \times 5)$	0.833%
Total	1	17	28		17.75%

Total incentive years = 1 completed year in difficult plain plus 17 months (5 months in Difficult Hill+ 5 months in Difficult plain+ 7 months in Rural). 12 months = 1 year. Rest of the 5 months (Least incentive mark area) will be left, since fractionalized months will not be accounted for calculating marks.

Illustration III:

- From service rendered in incentive work station, when there is shortage for a completed year in incentive places and days are more than 30 days, marks will be awarded as follows:

	YEAR	MONTH	DAYS	CALCULATION	MARKS AWARDED (%)
Difficult Hill (10%)		5	10	$=(5/12 \times 10)$	4.167%
Remote (8%)	1	2	8	$=1 \times 8 + (2/12 \times 8)$	9.33%
Rural (5%)		4	20	$=(5/12 \times 5)$	2.08%
Total	1	11	38		15.58%

In 38 days, 30 days is added to 4 months, since the Medical Officer worked more number of days in rural area i.e. 20 days.
