(UP TO MARCH - 2014)	
I	During the Financial Year 2013-2014 (up to March 2014) Tamil Nadu has performed 3,23,310 cases out of 4,00,000 Expected Level of Demand under sterilisation. The performance has increased by 6,320 Sterilisations, compared to the previous year corresponding period of achievement. The performance of Vasectomy is 1,384 as against 1,524 of the last year corresponding period and is decreased by 140 cases.
II	During the year 2013 - 2014, the ELD under sterilisation for the entire State is fixed as 4,00,000, increased by 10% of Sterilisation cases of Last year. Kancheepuram District stands first in Sterilisation performance Upto March 2014 followed by Vellore and Nagapattinam Districts in the second and third rank respectively against their ELD. None of the districts have achieved their ELD Upto March 2014. All the District Officers are requested to take effort to achieve their ELD in full right from the beginning without compromising the quality of the Family Welfare service.
II I	The performance is less than the state average of 80.8% of Proportionate Expected level of demand in 16 Districts namely Krishnagiri, Pudukkottai, Trichy, Ariyalur, Karur, Theni, Madurai, Dharmapuri, The Nilgiris, Thanjavur, Cuddalore, Perambalur, Salem, Thiruvannamalai, Chennai, and Thiruvarur districts. The performance is very low (<80%) in Thirteen Districts are Ariyalur, Karur, Theni, Madurai, Dharmapuri, The Nilgiris, Thanjavur, Cuddalore, Perambalur, Salem, Thiruvannamalai, Chennai, and Thiruvarur. More number of camps should be planned and conduct effectively to set right the backlog.
IV	Thirteen districts namely Tiruppur, Coimbatore, Ariyalur, Virudhunagar, Theni, Perambalur, Salem, Karur, Kanyakumari, Thiruvarur, The Nilgiris, Thiruvannamalai and Chennai have shown backlog in sterilisation performance when compared to last year corresponding period. The District Officers of low performance districts have to improve the sterilisation performance in their Districts. Critical review should be conducted by the District officers and the minutes should be sent to the medical officers of poor performing institutions to improve the performance.
V	Through effective and enhanced IEC activities and with the active involvement of all the staff members, more number of NSV and Laparoscopic camps can be organised with productive results in the NSV and sterilisation performance.
VI	The compensation amount should be paid to sterilisation acceptors before discharge from the hospitals. Family Welfare Sterilisation motivator incentive and incentives to the Medical and Paramedical staff have to be paid on the same day itself as per guidelines issued in the minutes of the DD Medical review meeting held on 18.4.2013, by this Directorate. The Family Welfare programme should not suffer due to the non payment of the Surgeon/Anaesthetist/Paramedical fees or Motivator fees. The labor ward staff nurses and ANMs / HVs/RMNCH Counsellors of Government hospitals should motivate the mothers with 2 and above children to accept tubectomy so as to improve the delivery coverage and also to reduce the Higher Order of Births.
